Monday – Friday 9:30 to 5 EST

Unique Glass Colors has moved to Florida!

We would like to introduce ourselves and show you the new home of Unique Glass Colors.

Our building

Harold Clark, Margot Clark, Heather Nield, Saulius Jankauskas

Harold Clark is husband to Margot Clark. He is our Chief Operations Officer, Director of Production and Warehousing and is a certified Fire Sprinkler Inspector. He is a retired Navy Senior Chief Petty Officer so also goes by the name Seadog. Email - harold@uniqueglasscolors.com

Margot Clark (the “t” is silent) is Chief Executive Officer, Director of Marketing and owner of Margot A. Clark LLC where she is in various art industries. She has been working with Paula, Betty and the Unique Glass Colors since the early 90’s, written articles on glass for Ceramics and Glass Patterns Quarterly and is featured in various book publications on glass art. Unique has been selling her glass patterns for a number of years. Email - margot@uniqueglasscolors.com

Heather Nield (rhymes with field) is the Office Administrator. She has been working with Margot as her “right hand” for the past two years and during that time developed a passion for glass. Heather will be running the office and making sure all your orders get shipped in a timely manner. Email – heather@uniqueglasscolors.com

Saulius Jankauskas (pronounced sow-lee-us yahn-cows-kus) is our Chief Financial Officer, Director of Research and Development and is a board certified plastic surgeon. Also known as Dr. J or SJ

for obvious reasons! He has been working with the Unique Colors for a number of years and has come up with a new technique we call “the watercolor technique” and we will be sharing that information with all of you in the near future. He co-authored an article with Margot for Glass Patterns Quarterly. Email – sj@uniqueglasscolors.com

To place an order via email after the 14th of September please use sales@uniqueglasscolors.com
You can also call or send a fax.

All of us are committed to bringing you the same great service you have received from Unique all these past years. We will continue to work closely with both Paula and Betty so if we don't “know it” now, we have access to all their amazing knowledge and will have an answer for you very quickly. If you have a question and don't quite know who should get it just email it to info@uniqueglasscolors.com and one of us will get the information to you.

We will be sending out a monthly newsletter to let you know what is happening at Unique Glass Colors. It will include techniques, promotions, helpful hints, contests, whatever information we can include that will be of help in promoting Unique Glass Colors to your customers.

We plan on having a booth at the February Orlando Show and will be in Las Vegas at the Glass Craft and Bead Show in April 2010. Betty will also be attending these shows with us. Our talents run from very traditional to very contemporary with everything in between! Here is a sneak peek at the classes we will be teaching in Las Vegas.

Casselberry is a suburb just outside Orlando. We are 45 minutes from Disney World so if you are driving on vacation and want to pick up your order you can come by and see our new headquarters. Of course, you are welcome at any time to come and see us! We have a great classroom/gallery where our glass art and product lines are displayed.

We look forward to serving you and are very excited to have this opportunity to get right into the “heat” of things in the ceramics, glass, home décor and decorative painting industries!
